## Fort Lee Teacher Preaches Importance Of Positive Image

How an executive sees himself and others strongly affects how he handles daily routine tasks.

That is the message Mac-Daniel Williams, a behavioral science and executive skills instructor with the U. S. Army Logistics Management Center at Fort Lee, drums into his students.

Williams is the son of the late Mr. and Mrs. Sam T. Williams of Pamplin.

Learning to share ones feelings and ideas through a free flow of uninhabited communication is equally important to his students in their army management positions.

The 53-year old, soft-spoken, but articulate teacher is living proof that on the job performance is enhanced by a positive attitude toward self and others.

Williams helps his students find and learn to use what will work best for them. He feels the more information that is shared openly the better.

Togetherness

You can keep litter cleaner smelling and working longer, if you cover the litter box bottom with one part Arm & Hammer Baking Soda, layered with three parts cat litter. Baking Soda absorbs odors for days and days, so litter won't need replacing as often!

• • •

To clean and deodorize the litter box between changes, fill box with a baking soda solution. Then just wipe, rinse and dry. For stubborn spots, sprinkle baking soda on dry and scrub with a damp sponge. Arm & Hammer Baking Soda is a product of food grade purity that's safe for use, as directed, around all household pets.

### How To Prevent Spills

Safe, efficient operation of a riding power mower can keep you from riding for a fall, and your grass from rising to a fault, if you take these safety tips from the experts at the Outdoor Power Equipment Institute:

1. Be thoroughly familiar with the owner's manual. Know where all controls are before you climb into the driver's seat.
2. Never leave your mower without turning off the engine and disconnecting the spark plug wire.
3. Never allow another person to ride with you.
4. Be sure children and animals are kept out of the area you will be mowing.
5. Take extra care when you back up. Look behind you to see what you may be running over.
6. Mow up and down slopes rather than from side to side to maintain greater stability. Try not to stop or start on slopes.

**Logical Deduction.**

Are bills turning your life story into "The Case of the Disappearing Paycheck"? Does all your hard-earned money seem to vanish without a trace left to save?

Then perhaps you should investigate United States Savings Bonds.

Because saving with Bonds is so simple, it's elementary. Especially if you join the Payroll Savings Plan.

Once you sign up, you see, a small part of each paycheck is automatically set aside to buy Bonds.

Which means as soon as you're paid, you save. Before you're left trying to deduce where it all went.

Buy U.S. Savings Bonds through the Payroll Savings Plan. And take the mystery out of saving.

## Five Grand Winners In Pamplin Poster Contest

Leroy Wooldridge, Tammy Irby, Robin Miller, Kelly Neville and Kenneth McClenny were recognized as grand winners in the "Beautify Our Community" poster contest at Pamplin School. In addition to winning blue ribbons, these grand winners received a special rosette by having the best poster in their respective grades.

In all, about 35 youngsters participated and all with excellent posters were awarded blue ribbons, good entries received red ribbons and other entries white ribbons. Sarah Wayne's third grade had the most participation with 20 students preparing posters.

The theme of the contest centered on improving the appearance of our community. Some youngsters chose to depict not littering or removing litter while others chose beautifying the landscape by planting trees, grass, flowers, etc.

In speaking for the Pamplin Ruritan Club who sponsored the contest, club President Frank Sweet congratulates the youngsters for so many fine ideas and excellent posters.

## Burnett To Preach At Providence

The Rev. Omar Burnett will hold revival services at Providence Baptist Church in Red House July 8-13, 1979. Services will be held at 8:00 p.m. nightly with special music by the choir and guest musicians each evening.

You and your family are cordially invited to attend each of these services and hear this great man of God bring a timely message at every service.

He is a much loved man because of his personality and his preaching, as well as for many other reasons, and you will not want to miss a single service.

So, come join us each night of the revival and be spiritually revived and renewed!
